

**YOU CAN NOW REQUEST THAT PERSONAL INFORMATION  
CONTAINED IN OUR UTILITY RECORDS NOT BE RELEASED TO UNAUTHORIZED  
PERSONS**

The Texas legislature enacted a bill, effective September 2, 1993 allowing non-profit water supply corporations to give their customers the option of making the customer's address, telephone number, and social security number confidential. There is **NO** charge for this service.

**WE MUST STILL PROVIDE THIS INFORMATION UNDER LAW TO CERTAIN PERSONS**

We must still provide information to (1) an official or employee of the state or a political subdivision of the state, or the federal government acting in an official capacity; (2) an employee of a utility acting in connection with the employee's duties; (3) a consumer reporting agency; (4) a contractor or subcontractor approved by the providing services to the utility or to the state or federal government; (5) a person for whom the customer has contractually waived confidentiality for personal information; or (6) another entity that provides water, wastewater, sewer, has garbage, electricity, or drainage service for compensation. However such confidentiality does not prohibit the District from disclosing the name and address of each member on a list to be made available to the District's voting customers or their agents or attorney's, in connection with any meeting of the District's members.
